BUDS and SUPPLIES

Budding Knives---Raffia

The Chase Tree Counter

The Chase "Dig-Ezy" Hoe

The Budders' Whetstone (Carborundum)

CHASE, ALA., JUNE 8TH, 1914

TO THE TRADE:–

As our supply of some varieties of Buds is limited your orders should be booked early.

We have had many years experience in packing buds and can get them to you in good condition.

We try to carry a full stock of all items of Supplies; shipment next train after receipt of order is the usual thing.

You will receive our Trade List about the middle of September; glad to quote prices on Nursery Stock at any time.

Yours very truly,

CHASE NURSERY COMPANY,

CHASE, ALABAMA

AMERICAN ASSOCIATION OF NURSERYMEN

The Thirty-ninth Annual Convention will be held in Cleveland, Ohio, June 24th to 26th, and will be the biggest meeting ever held. To every Nurseryman who receives this who is not a member we wish to say that you are missing something that is really worth while. This is without doubt one of the best Trade Associations in America. If you are not a member write John Hall, Sec'y., Rochester, N. Y., for literature and Application Blank.

BUDS!

Carefully cut, well packed, and delivered at our express office at prices named.

APPLE, Per M $1.25

Ark. Black	Gano	Kinnards Choice	Transcendant
Albermarle Pippin	Grimes Golden	Mammoth Blacktwig	Wine Sap
Banana	Hackworth	Red June	Yates
Ben Davis	Horse	Rome Beauty	Yel. Transparent
Early Harvest	Hyslop	Stayman	York Imperial

SPECIAL—We can furnish limited quantities following sorts from our stock block, budded directly from bearing trees in orchards at Conyers Manor, Conn. The buds from which these trees were grown were cut by a member of our firm under the personal supervision of Mr. Geo. A. Drew, manager. Mr. Drew selected trees with good bearing records and these buds can properly be termed "pedigreed stock." We recommend these to nurserymen desiring to get a start of these varieties, and get the stock RIGHT. Mr. Drew knows apples through and through, and is intimately acquainted with each and every tree in the orchards under his management.

Price, Per M $3.00

Baldwin	Duchess Oldenberg	Fall Pippin	Gravenstein
Hubbardston	King	McIntosh	Newton Pippin
Northern Spy	R. I. Greening	Red Astrachan	Roxbury Russett

PEACH SPECIAL

We can furnish from stock trees, limited quantities following varieties, propagated directly from bearing trees, no chance for mixture; for the information of our friends we give source of supply in each case. Most of these were cut by a member of our firm, one tree of each variety being used and care taken to select trees which had borne regularly and were true to type.

Price, Per M $3.00

VARIETY	SOURCE OF SUPPLY
Belle of Georgia	Hale, Ga. Orchard Co., Georgia
Bilyeus Oct.	Millers Orchards, West Virginia
Bishops Early	" " " "
Capt. Ede	Berckmans Bros., Georgia
Carman	Hale, Ga. Orchard Co., Georgia

BUDDING KNIVES

These three, each the best of its kind, fill the bill.

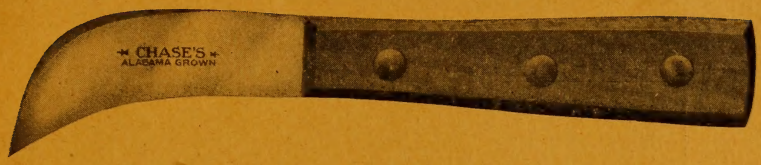
BUDDING—Wostenholm I-X-L Ivory Tip (¾ size)—The best budding knife we know of, and strong enough for an all-purpose knife. 75 cts. each, $8.25 per dozen postpaid; $8 per dozen by freight or express.

BUDDING—Chase's Special Ivory Tip—A mighty good budding knife; next to the Wostenholm it is the best ivory-tipped knife we can find; in appearance almost exactly like Wostenholm; 60c each, $6.50 per doz. postpaid; $6 per doz. by freight or express.

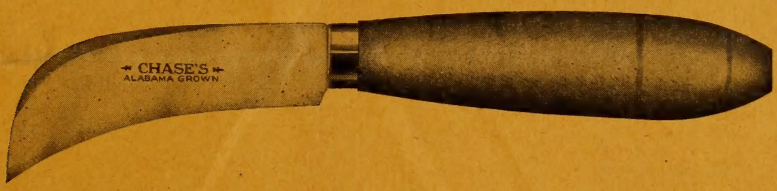
BUDDING—Stationary Budder (Blade does not fold)—Note shape, size and "hang" of blade, made for budding, but not as convenient for the pocket as the others. 25c each, $2.50 per doz. postpaid; $2.25 per dozen by freight or express.

GRAFTING—C. A. G. Grafter (¾ Size)—Cocoa handle; pocket edition, 25c each, $3 per dozen postpaid; $2.75 per dozen by freight or express.
This is a mighty good all-purpose, all-the-year-'round pocket knife.

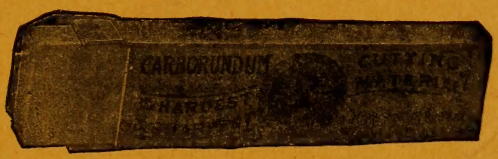
PRUNING KNIVES



PRUNING—Chase's Flat Handle Pruner—The strongest pruning knife made, handle composed of two halves hardwood riveted through the blade, which extends full length, see cut above. Full length 7¼ inches. If you can break the handle on this knife we will replace it without cost. The metal is high-class Price, 35c each, $3.50 per dozen postpaid; $3.20 per dozen by freight or express.



PRUNING—C. A. G. Pruner—Stationary handle; full length 8 ins., length of blade 3⅜ ins. Handle, hardwood; blade entered deep and fastened by tang through full length of handle, making a strong knife. 30c each, $3.20 per doz. postpaid; $2.85 per dozen by freight or express.



BUDDERS' WHETSTONE (Carborundum)

A pocket-size stone that should be in every budder's pocket. Puts an edge on right now. All our men delighted with it and we pass it along to you just as a good nurseryman friend did to us. Price, postpaid, 15c.

RAFFIA

Low-priced, poor quality Raffia is expensive always. We try to get the best quality, long, white, flat strands. Our supply has just arrived in good shape; can ship on short notice.

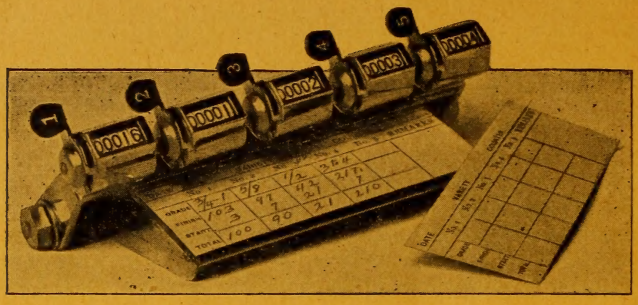
Price per pound in lots under 10 pounds	13½c
Price per pound in lots of 10 to 50 pounds	12½c
Price per pound in lots of 50 to 100 pounds	11½c
Price per pound in full bales of about 220 pounds	10¼c

F. O. B. here.

All supply orders (except printed matter) are usually shipped next train after receipt. We try to carry a complete stock at all times. Our location at Chase gives us unsurpassed facilities for quick action on rush orders—two lines of railway, ten trains per day stopping here.

CHASE TREE COUNTER

Better than ever. Prices reduced. Note the new size a three dial machine.



Designed by Robert Chase

We now offer this great labor-saving machine in three sizes; these new machines are of the very latest type, extra heavy levers and springs, solid construction, heavily nickel plated. Guaranteed for three years. If for any reason a dial fails to work properly, send it to us to be put in order and returned without charge. The Chase Tree Counter is now used by more than one hundred leading nurserymen.

Three dial machine with 1000 record cards, delivered $12.25
Four dial machine with 1000 record cards, delivered 14.00
Five dial machine with 1000 record cards, delivered 16.00

Extra record cards, correct size, printed like cut, 65c for 500, $1.10 per 1000, postpaid.

Accurate, quick, no guess.work. Place in the hands of a good man and as he passes down the row he presses the lever which indicates the grade of the tree. When through with a variety the dials show the total number of each grade in the block; the only method of taking a correct grade count in the field. 1000 record cards furnished with each machine.

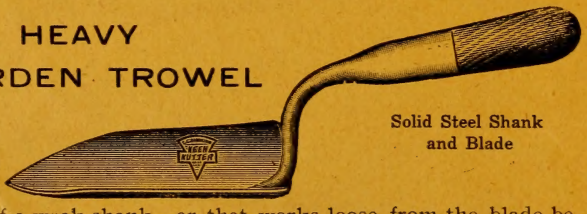
CHASE'S "DIG EZY" HOE

Chase's "Dig Ezy" Hoe, not generally recommended for ladies' use, but if a lady enjoys hoeing, they do very nicely. On our own farm we have a well organized Ladies' Hoeing Society, and this is the tool they use. Price, each 65c, dozen $5.50. Glad to sell half dozen at dozen rate.

"The best nursery hoe we have ever used."—Mississippi.

"Cannot recommend too highly your 'Dig Ezy' hoes."—Penn.

EXTRA HEAVY GARDEN TROWEL

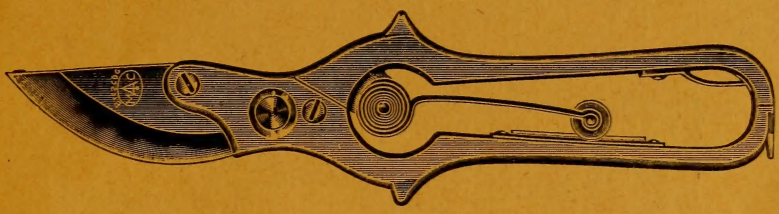


Solid Steel Shank and Blade

No doubt you, like ourselves, have had experience with cheap trowels, the kind that bends double because of a weak shank, or that works loose from the blade because the blade and shank are attached with rivets. This trowel has a solid steel shank and blade and can't bend or break; will last for years. We believe it to be the best trowel manufactured. 90c each, postpaid. If shipped by freight or express with other goods, 75c each.

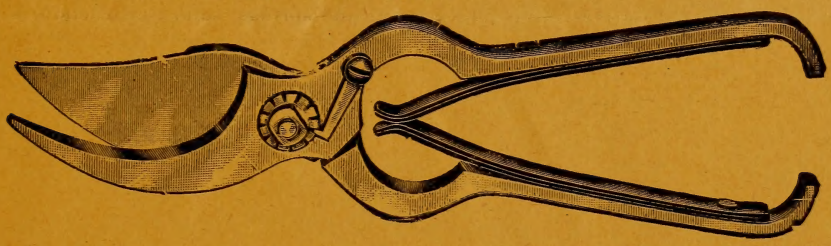
PRUNING SHEARS

The Watch Spring French Shears stand at the head of the list for making cuttings of all kinds. For this work the 8 inch size is just right. For cutting back seedlings to the bud or any heavy work the 9 inch is recommended.

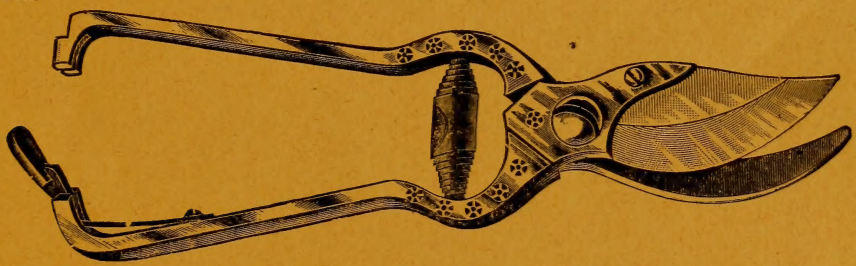


Watch Spring, French, 8 inch—Per pair postpaid, $1.35; per dozen pairs freight or express (weight per dozen pairs 7 lbs.) $14.50.

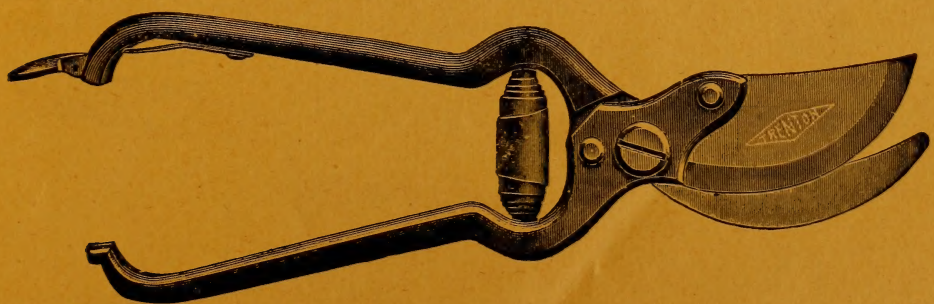
Watch Spring, French, 9 inch—Per pair postpaid, $1.70; per dozen pairs freight or express (weight per dozen pairs 11 lbs.) $17.00.



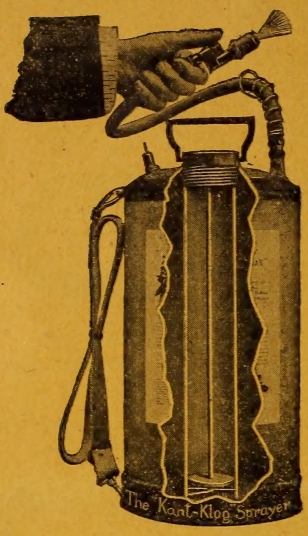
English Pattern, 8 inch—One of the best made shears in the market; an extra blade with each. Heavy long brass spring that will last as long as the shears. $1.90 per pair postpaid.



Ladies' German, 6 inch, full nickel plated. Volute spring. Not large enough for general use. High grade, beautifully finished, large enough for use about rose bushes or shrubs in the garden, or for light work. 75c per pair, postpaid; $8.00 per dozen pairs by express or freight. Weight per dozen pairs, 2¾ lbs.



American Make, 9 inch—Good cheap shears, strong, well made, weight 17 ounces. Volute steel spring. 65c per pair, postpaid. Per dozen pairs, $5.75, by freight or express, per half dozen $3.00, per pair, 50c. The best low priced all around pruning shear we know of.



KANT-KLOG SPRAYER

Air-pressure type. A few strokes of the air-pump from time to time, as you walk along the row or among the trees and plants, gives a strong, fine spray. Made of heavy polished brass or galvanized iron, as desired. The air-pump is of heavy brass, two inches in diameter. Hose couplings are solid brass. Hose is of high-grade, three-ply. Equipped with safety valve for regulating air-pressure. Holds between four and five gallons. Can be carried by strap or air-pump handle. Equipped with combination nozzle, giving two bell-shaped sprays or straight streams, as desired. A complete, honestly built sprayer for spraying fruit trees, potatoes, vegetables, roses, shrubs, grape vines, tobacco, and cotton, and for washing wagons, windows, spraying hen houses, disinfecting, etc.

PRICE, complete, style G as illustrated, Galvanized Iron, $5.00; Polished Brass, $6.50.

EXTRA EQUIPMENT

BRASS ELBOW for turning nozzle upward for spraying under side of low-growing plants. Postpaid, 40 cents each.

BRASS EXTENSION PIPE in three-foot lengths, standard-cut threads, for elevating the nozzle in tree spraying, whitewashing, etc. Several can be screwed together if working on high trees. 40 cents each; postpaid, 55 cents each.

OFFICE SUPPLIES

SHIPPING TAGS

Printed to order, Strung Ready for Use. Three sizes, two qualities, all have reinforced eyelets.

Standard Quality, Reinforced Eyelets

A better tag than is usually used
